MIG 140EN Kit

Part No. 17010

The new Shark 140EN Mig do-it-yourself welder is the perfect welder for the starter or infrequent user.

This economical welder offers many easy-to-use features and comes with a gauge. It can be used with or without

gas. It will weld up to 3/16" thick metal and is great for home or automotive infrequent users. It is sold only as a kit and comes complete with a face shield, chipping hammer, cart, gloves, tips and wire. The contact tips are .035 and .023 with a 1/2 pound spool of flux core wire. Gas, hose and clamps are included. The unit includes a dual groove drive roll for ease of welding with .023 or .030 wire.

Machine Specifications

Maximum Output	130 Amps
Duty cycle	65 Amps at 20%
Current range	20-130 Amps
Wire diameter range	.023"- .030"
Voltage settings	4
Max welding thickness	3/16"
Shipping weight	81.57 lbs

Kit Includes:

- 6 ft. Tweco style mig torch
- 6 ft. Grounding cable and earth clamp
- .035 & .023 Contact tips
- Chipping Hammer
- 1/2 lb., .030 Flux core wire
- Dual gauge regulator
- Gas hose and 2 hose clamps
- Welding cart
- Welding gloves
- Hand held welding shield

SW-MIG 140

Part No. 17024

The new Shark SW-140 Mig welder is the Medium Duty to Professional grade welder. This upgraded welder offers a 10 foot. removable MIG torch with Tweco style replacement parts. It features a 10 foot. detachable ground cable.

The welder offers many features and comes with a gauge and works with or without gas. It will weld up to 1/4" thick metal and is great for automotive users. It comes complete with (3) .030 contact tips, 1 lb. each of flux core and mig wire as well as an 11 lb. spool adaptor. The unit includes a dual groove drive roll for ease of welding with .023 or .030 wire.

Machine Specifications

Maximum Output	140 Amps
Duty cycle	90 Amps at 30%
Current range	20-130 Amps
Wire diameter range	.023"- .035"
Voltage settings	5
Max welding thickness	1/4"
Shipping weight	44 lbs.

Kit Includes:

- 10 ft. Removable Tweco style MIG torch compatible with Tweco style replacement parts
- 10 ft. Removable ground cable
- 3 - .030 Contact tips
- 1 lb. .030 Mig wire
- 1 lb. .030 Flux core wire
- Dual gauge regulator
- Gas hose
- Dual groove drive roll
- 11 lb. Spool adaptor

MIG 135 Kit Part No. 17012

The new Shark 115 Volt/120 Volt welder is an upgrade from our MIG 140EN but includes a kit to give you a cart, gloves, helmet, chipping hammer and regulator. Designed for the Light/Professional user, it features a 10 foot removable MIG Tweco Style Gun. It will weld up to 3/16" thick metal and is great for farm or automotive users. It also comes with 2 spools of wire; .030 flux core and .030 Mig wire; 3- .030 contact tips; and a gauge. The unit includes a dual groove drive roll for ease of welding with .023 or .030 wire.

Machine Specifications

Maximum Output	135 Amps
Duty cycle	80 Amps at 20%
Current range	20-100 Amps
Wire diameter range	.023"- .035"
Voltage settings	4
Max welding thickness	3/16"
Shipping weight	101.4 lbs

Accessories:

- 10 ft. Removable Tweco style MIG gun
- 10 ft. Ground cable with clamp
- 3 - .030 contact tips
- Chipping Hammer
- 1 lb. .030 Mig wire
- 1 lb. .030 Flux core wire
- Dual gauge regulator
- Gas hose
- Dual groove drive roll
- 11 lb. Spool adapter
- Welding cart, gloves, helmet

MIG 135 Part No. 17022

The new Shark 115Volt/120 Volt welder is an upgrade from our MIG 140EN. Designed for the Light/Professional shop user, it features a 10 foot removable MIG Tweco style gun. It will weld up to 3/16" thick metal and is great for farm or automotive users. It comes complete with gauge, 2 spools of wire; .030 Flux core and .030 Mig wire. The unit includes a dual groove drive roll for ease of welding with .023 or .030 wire.

Machine Specifications

Maximum Output	135 Amps
Duty cycle	80 Amps at 20%
Current range	20-100 Amps
Wire diameter range	.023"- .035"
Voltage settings	4
Max welding thickness	3/16"
Shipping weight	59 lbs.

Accessories:

- 10 ft. Removable Tweco style MIG Gun
- 10 ft. Removable ground cable
- 3 - .030 Contact tips
- 1 lb. .030 Mig wire
- 1 lb. .030 Flux core wire
- Dual gauge regulator
- Gas hose
- Dual groove drive roll
- 11 lb. Spool adapter

MIG 175 Kit

Part No. 17014

The new Shark 230 Volt Mig welder is the Professional grade welder; but not recommended for Industrial applications. It will weld up to 1/4" thick metal. This heavy duty welder achieves 130Amps at 20% duty cycle. It includes a 10 foot removable Tweco Style Mig gun, 10 ft ground cable with clamp, along with a 11 pound spool adaptor. This unit comes complete with a kit that includes not only an Auto Darkening helmet, but cart, gloves, chipping hammer and (3) .030 contact tips. The unit includes a dual groove drive roll for ease of welding with .023 or .030 wire

Machine Specifications

Maximum Output	175 Amps
Duty cycle	130 Amps at 20%
Current range	20-160 Amps
Wire diameter range	.023"-.035"
Voltage settings	5
Max welding thickness	1/4"
Shipping weight	94.8 lbs

Accessories:

- 10 ft. Removable Tweco style MIG gun
- 10 ft. Ground cable with clamp
- 3 - .030 Contact tips
- Chipping Hammer
- 1 lb. .030 Mig wire
- 1 lb. .030 Flux core wire
- Dual gauge regulator
- Gas hose
- Dual groove drive roll
- 11 lb. Spool adaptor
- Welding cart, gloves, helmet

MIG 175

Part No. 17023

The new Shark 230Volt Mig welder is the Professional Grade welder; but not recommended for Industrial applications. It will weld up to 1/4" thick metal. This heavy duty welder achieves 130AMPS at 20% duty cycle. It includes a 10' removable Tweco Style Mig gun, 10 foot ground cable with clamp, along with an 11 lb. spool adaptor. The unit includes a gauge, dual groove drive roll for ease of welding with .023 or .030 wire. Also included are (3) .030 contact tips, a chipping hammer and 1 lb. spool of .030 Mig and Flux Core Wire.

Machine Specifications

Maximum Output	175 Amps
Duty cycle	130 Amps at 20%
Current range	20-160 Amps
Wire diameter range	.023"-.035"
Voltage settings	5
Max welding thickness	1/4"
Shipping weight	62 lbs.

Accessories:

- 10 ft. Removable Tweco style MIG Gun
- 10 ft. Removable ground cable
- 3 - .030 Contact tips
- 1 lb. .030 Mig wire
- 1 lb. .030 Flux core wire
- Dual gauge regulator
- Gas hose
- Dual groove drive roll
- 11 lb. Spool adaptor

MIG 190EN Kit Part No. 17011

It includes a 6 foot attached Tweco Style Mig gun, fixed 6 foot grounding clamp with earth cable. This unit comes complete with a gauge and kit that includes a face shield, cart, gloves, chipping hammer, 1 lb. .030 flux core wire and .023 and .035 contact tips. The unit includes a dual groove drive roll for ease of welding with .023 or .030 wire.

The new Shark 230 volt Mig welder is the Professional grade welder; but not recommended for Industrial applications. This welder achieves 145Amps at 15% duty cycle. It will weld up to 1/4" thick metal.

Machine Specifications

Maximum Output	180 Amps
Duty cycle	145 Amps at 15%
Current range	20-180 Amps
Wire diameter range	.023"-.035"
Voltage settings	5
Max welding thickness	1/4"
Shipping weight	99.2 lbs.

Kit Includes:

- 6 ft. Tweco style mig torch
- 6 ft. Grounding cable and earth clamp, .035 & .023 contact tips
- Chipping Hammer
- 1/2 lb., .030 Flux core wire
- Dual gauge regulator
- Gas hose and 2 hose clamps
- Welding cart
- Welding gloves
- Hand held welding shield

SW-MIG 200 Part No. 17025

The new Shark 230 volt Mig welder is our top-of-the-line Professional grade welder. This heavy duty welder achieves 130 Amps at 30% duty cycle. It will weld up to 1/4" thick metal.

It includes a 10 foot detachable Tweco Style Mig gun compatible with Tweco replacement parts and 10 foot removable ground clamp. The unit also includes an 11 pound spool adaptor, gas hose, dual gauge regulator, 1 lb. .030 mig wire and 1 lb. .030 flux core wire. It also comes with an upgraded Teflon braided gas hose. The unit includes a dual groove drive roll for ease of welding with .023 or .030 wire and (3) .030 tips.

Machine Specifications

Maximum Output	180 Amps
Duty cycle	130 Amps at 30%
Current range	20-195 Amps
Wire diameter range	.023"-.035"
Voltage settings	5
Max welding thickness	1/4"
Shipping weight	44 lbs.

Accessories:

- 10 ft. Removable Tweco style MIG torch compatible with Tweco style replacement parts
- 10 ft. Removable ground cable
- 3 - .030 Contact tips
- 1 lb. .030 Mig wire
- 1 lb. .030 Flux core wire
- Dual gauge regulator
- Gas hose
- Dual groove drive roll
- 11 lb. Spool adapter
